JOURNAL OF FIELD ORNITHOLOGY

Published by
Association of Field Ornithologists

The Journal of Field Ornithology welcomes original articles that emphasize the descriptive or experimental study of birds in their natural habitats. Articles depicting techniques, emphasizing conservation, describing life history, or assessing published studies or existing ideas are appropriate. The Journal is especially interested in field studies conducted in the neotropics and those involving amateur participation.

Editor

C. RAY CHANDLER

Department of Biology, Georgia Southern University, Statesboro, GA 30460
