### **BALD EAGLE NEST WATCHERS NEEDED**

The U.S. forest Service needs volunteers for observation of nesting Bald Eagles in Central Arizona, February through May 1984. Duties involve collection of behavioral and habitat data and protection of nest sites. Back country travel and camping are required. Subsistence living quarters and reimbursement for field expenses are provided. Field experience is desirable. Anyone interested should contact Larry Forbis, Tonto National Forest, Box 29070, Phoenix, Arizona 85038 (602 261-4240), or Terry Grubb, Rocky Mountain Forest & Range Experiment Station, ASU Campus, Tempe, Arizona 85287 (602 261-4365).
