Persons interested in predatory birds are invited to join the Raptor Research Foundation, Inc. Dues are \$15 per year in the U.S., \$17 per year outside the U.S., \$13 per year for U.S. students, and \$15 per year for students outside the U.S.. Add \$2 to dues if membership is received after 15 February. The Foundation's journal *Raptor Research* is distributed quarterly to all current members. Subscription price to institutions and nonmembers is the same as regular membership. Single copies and back issues are available from the Treasurer. A Contributing Membership is \$25, a Sustaining Membership is \$100, and a Life Membership is \$500. All contributions to The Raptor Research Foundation, Inc., are tax-deductible.

Send requests for information concerning membership, subscriptions, special publications, or change of address to the Treasurer. Other communications may be routed through the appropriate Officer or Board member. All inquiries concerning the journal should be addressed to Dr. Clayton M. White, Editor, *Raptor Research*, Department of Zoology, 161 WIDB, Brigham Young University, Provo, Utah 84602, U.S.A.
