

Going Places

Following is a partial listing of nature and bird-oriented tours scheduled for the months of September-January, 1974. It has been compiled from information supplied by tour sponsors and *American Birds* is not responsible for any subsequent alterations in plans or prices. Recent fluctuations in dollar values and uncertainties regarding air fares means that in some cases quoted prices are approximate only.

An interesting array of fascinating tours is set forth below; readers should have no trouble finding the tours that are just right for them. Tour sponsors are listed by key initials: full names and addresses, to which all inquiries should be addressed, will be found at the end of the listings.
