INFORMATION FOR AUTHORS, ARTISTS, PHOTOGRAPHERS

AMERICAN BIRDS welcomes the submission of articles and photographs for publication.

Our major areas of interest are the changing distribution, population, migration, and rare occurrence of the avifauna of North and South America, including Middle America and the West Indies. We solicit articles on problems in field identification, in our "Site Guide" series of birding locales, in our "Centers of Learning" series that profiles institutions concerned with ornithology.

ARTISTS AND PHOTOGRAPHERS—AMERICAN BIRDS is now able to publish more pages of illustrative material, both in color and black-and-white. We welcome submission of photographic essays or series of topical interest, high quality single photographs of significance, transparencies of paintings in color, as well as line or wash drawings that can be used in an illustrative or even decorative manner. We would like to hear from (with a sample or two) artists who might be willing to illustrate articles for us. As usual, documentary photographs will be used, when space permits, in our Changing Seasons and Regional Report sections.

For a "Work in Progress" column, we welcome notices of research projects seeking field reports or other collaboration; we publish advance notices of important conventions, meetings, symposia, seminars, and conferences.

All submissions will be carefully considered, but authors considering major submissions should correspond with the editors first. AMERICAN BIRDS publishes papers of a technical nature but only when written in a less-than-technical, easily readable style: *i.e.*, no complicated equations, lengthy tables, or complex graphs. Major articles should be limited to 3000 words; exceptions may be agreed upon after consultation. All material submitted should be original, and previously unpublished. Manuscripts should follow accepted rules of format and style, be typewritten, double-spaced, on white paper, with generous margins. Photographs should be glossy black-and-white or transparencies, clearly marked with author's name and address. We require the original typescript and one carbon copy. All manuscripts will be acknowledged, but authors must recognize that a backlog exists which may entail delayed publication after acceptance. Manuscripts are refereed before acceptance.

For further information address the editors at the American Birds offices, 950 Third Avenue, New York, N.Y. 10022. Telephone: 212-546-9189.

AMERICAN BIRDS is published six times a year. Editorial and business offices are located at 950 Third Avenue, New York, N.Y. 10022. Subscriptions: \$15 a year for the U.S.A. and \$18 (\$U.S.) foreign and Canada, \$16 libraries and institutions. Single copies: Christmas Bird Count (July) \$7.50 (\$9.50 foreign and Canada); Fall Migration (March), Winter Season (May), Spring Migration (September), Nesting Season (November), Winter Bird-Population Studies and Breeding Bird Censuses (January) \$2.00, (\$2.50 foreign and Canada). Checks and money order should be made payable to AMERICAN BIRDS. Second class postage paid at New York, N.Y. and additional Post Offices. Copyright © 1981 by the National Audubon Society, Inc.

Postmaster: if undeliverable, please notify American Birds on Form 3579 at 950 Third Avenue, New York, N.Y. 10022. ISSN: 004-7686

The Table of Contents for this issue will be found on the back cover

Market Place
