

Regional Reports Pictorial Highlights Fall 1987

Young male Vermilion Flycatcher at Jones Beach State Park, New York, September 25, 1987. First record for New York. Photo/A. J. Dignan.

Young male Townsend's Warbler captured for banding at Island Beach State Park, New Jersey, October 31, 1987. Photo/Glenn and Eileen Mahler.

Juvenile Sabine's Gull at Deep River, Ontario, October 10, 1987. Photo/Jacques Bouvier.

Cassin's Sparrow captured for banding at Long Point, Ontario, August 15, 1987. Photo/Mary Gartshore.

Juvenile Sabine's Gull on Lake Champlain at Panton, Vermont, October 3-5, 1987. Photo/Richard B. Lavalley.

Juvenile Gray Kingbird north of Montezuma National Wildlife Refuge in upstate New York, November 1, 1987. Photo/Robert Spahn.

Le Conte's Sparrow near Roanoke, Virginia, October 24, 1987. Photo/Brian Patteson.

Green Violet-ear at Asheville, North Carolina, October 21, 1987. This tropical species has strayed to Texas and Arkansas, and possibly to California, but no one expected it in North Carolina. Photo/Jerry Young.

Juvenile Sabine's Gull at Wisconsin Point, Superior, Wisconsin, October 28, 1987. Judging by reports from the continent as a whole, the numbers of these pelagic birds appearing in the interior this season were remarkable. Photo/Robbye Johnson.

Groove-billed Ani in Jasper County, Iowa, October 24, 1987. Photo/T. H. Kent.

Black-shouldered Kite in McKenzie County, North Dakota, September 30, 1987. This was a first record for North Dakota, and the kites had evidently nested at this location. Photo/David O. Lambeth.

Prairie Warbler at the Tornillo Rest Stop, Hudspeth County, Texas, November 19, 1987. First record for the El Paso region. Photo/Barry Zimmer.

Painted Redstart at Clinton, Montana, November 12, 1987. First for Montana. Photo/Dawn Riviere.

Pine Warbler at Benson, Arizona, early December 1987. First Arizona record. Photo/Gary H. Rosenberg.

American Woodcock at Albuquerque, November 10, 1987. Third record for New Mexico. Photo/R. L. Teuber.

Adult Long-tailed Jaeger at Crowley Lake, Mono County, California, August 28, 1987. Photo/Jon L. Dunn.

Red-footed Booby found at sea between Santa Catalina and Santa Barbara islands, California, November 15, 1987. Photo/Herbert Clarke.

Juvenile Mew Gull at San Luis Obispo, California, August 20 1987. Remarkably early for a fall arrival. Photo/Gregory P. Smith
