# Share the Adventure

*... of the birding experience.*

Founded in 1926, Swift Instruments Inc. has sponsored\* adventures in birding on many fronts. After extensive research with ornithologists on the ideal characteristics needed for bird watching, Swift pioneered binoculars for birders with their Swift Audubon 8.5X,44 in 1960. This tradition has been expanded to create ideal optics for birders of all ages. Swift offers a complete line of quality binoculars and spotting scopes, utilizing the latest technological advances.
