
Suggestions to authors

Manuscripts should be submitted in duplicate and should be typed double-spaced (including tables and tabulations of literature or of band numbers), on one side of 8½ × 11" bond paper. Margins should be one inch all around.

Tables and figures should be on separate sheets, one per page. Tables should be kept to a minimum. Drawings must be on durable paper, executed in india ink, with no shading. All lettering on figures should be executed with a lettering guide or—preferably—marked, on a separate page, for typesetting.

Photographs should be sharp and of good contrast. Glossy black and white, or color, prints are accepted: slides are not. More than 4 or 5 photos per article are not preferred.

When using information about birds banded by someone other than yourself, please acquaint yourself with the Policy on Release of Banding and/or Band Recovery Data, issued by the Bird Banding Laboratory.

Generally, papers longer than 15 pages, double-spaced, are considered too long. Style and form contained in the CBA Style Manual, Third Ed. (1972) is followed; vernacular bird names are taken from the A.O.U. Checklist, Sixth Ed. (1983).

Reprints are available at the author's expense; minimum order is 100, and a rate schedule can be obtained from the Production Manager, The Eagle Foundation, Box 155, Apple River, IL 61001. Extra copies of issues can be purchased at \$2.00 each from the treasurer of your association.

North American Bird Bander is a quarterly publication of the Eastern Bird Banding Association, Inland Bird Banding Association, and Western Bird Banding Association.

Table of Contents

Articles

- 126 Growth of Rectrices in Wild Inca Doves (*Columbina inca*)
Robert C. Tweet
- 128 Researchers Negligent in Use of Banding Data
Paul A. Stewart
- 129 Weights and Measurements of Prothonotary Warblers from Southern Indiana, with a Method of Aging Males
