Mist nets
 made in the **USA**

Have a
 great season
 afield!

Here's why: Double tethering resists the wind. Unbreakable braided trammels fight sagging and reduce trammel rolling. Stay-tight knots keep trammels even. Large, durable loops are made of rot-proof nylon. Baggy, resin-free construction provides maximum catching power. Cost effective. Master crafted with care by Marj and Don.

New Products: Rotring technical pens by Koh-i-Noor. Take archival field notes using traditional India ink in a modern, reliable, well-mannered writing instrument.

Also: Imported Mist Nets - Precision Spring Scales - Aircraft Aluminum Net Poles
 Wing Rules - Leg Gauges - Bird Bags - A C Hughes Colored Leg Bands - Headlamps
 Carbon Fiber Calipers - Magnifiers - Books - Banding Pliers - *Rite in the Rain* products.

AFO BANDING SUPPLIES

NEW FROM AFO

In response to requests from many of our mist net customers, we have established a new arm of AFO called AFO BANDING SUPPLIES to supply other items used by the bird banding community. As we have for forty years, we will continue to stock and sell the highest quality mist nets in the industry, but now we will also have available such additional items as banding pliers, net pole kits, wing rules, leg gauges, head-mounted lights and magnifiers, calipers, scales (including Pesola spring scales), plastic bands from England, and bird bags . . . all stocked in Manomet, Massachusetts. Many of these items are of new and unique design and of higher quality than others available in the market--and at significantly lower prices. All profits from the sale of these products go directly to AFO to help support their research and educational activities.
