Membership

Any person interested in ornithology may become a member of the Neotropical Ornithological Society upon payment of dues. Members of all classes receive ORNITOLOGIA NEOTROPICAL. Membership dues per calendar year are: Students (with verification of student status): US \$ 15.00; subscribers from Latin American countries: US \$ 25.00; subscribers from all other countries: US \$ 35.00; libraries: US \$ 60.00. ORNITOLOGIA NEOTROPICAL of the current year is sent by third class mail. If air mail delivery is required, please add US \$ 20.00 to subscription above. All payments must be to the Treasurer in US currency, either by credit card (VISA, MasterCard), or by check or international money order drawn on a US bank.

Art for the cover page representing the Thorn-tailed Rayadito (*Aphrastura spinicauda*) is by François Vuilleumier.

NOTICE TO CONTRIBUTORS

ORNITOLOGIA NEOTROPICAL (ISSN 1075-4377) is a refereed journal published quarterly. Manuscripts can be submitted in Spanish, Portuguese, or English on any aspect of avian biology in the Neotropical Region. All papers submitted shall reflect the results of original research. Authors are not required to pay page charges for papers of 15 printed pages or less, although contribution to page costs will be appreciated. However, authors are required to pay page charges for pages in excess of 15 printed pages.

All persons interested in publishing in ORNITOLOGIA NEOTROPICAL are welcome to submit their manuscripts to Raymond McNeil, Editor, Département de Sciences biologiques, Université de Montréal, C.P. 6128, Succ. "Centre-ville", Montréal, Québec, Canada H3C 3J7. Fax: 1-514-343-2293; **E-mail: Raymond.McNeil@umontreal.ca.**

MANUSCRIPTS

Potential authors are invited to obtain additional detailed instructions, in English, Portuguese or Spanish, from the editor by e-mail or from the web page <<http://www.neotropicalornithology.org>>. Manuscripts should be submitted in triplicate. Type all parts of the manuscript double-spaced on one side of letter size (216 x 279 mm or similar), good quality bond paper with at least 25 mm margins. Avoid footnotes. Provide a concise title, and an abridged title for a running head. Avoid using tables as much as possible, using text or illustrations where possible. Put each table on a separate unnumbered page. Legends for all figures should be typed on a separate unnumbered page. Material in the tables or graphs should not be repeated in the text. Write mathematical formulas on one line, where possible.

All major papers should have an abstract in English and another one in Spanish or Portuguese, designed to acquaint readers with the essential points in the text. It should contain no more than 300 words and should be suitable for the use of abstracting services. In addition, no more than 10 key words should be provided at the end of the abstract. Manuscripts intended to be "Short Communications" should be 6 typed pages or less, not including figures and tables. They require key words but no abstract; otherwise they are organized the same as major articles. Use the metric system in text, figures and tables. Designate clock time in the 24-h system and write it as 06:30 or 20:00. Use the European system of calendar notation (e.g., 4 December 1987).

All illustrative material should be arranged in the form of figures, each with an arabic number. Line drawings, e.g., graphs, maps, drawings, should be designed for reduction by at least one-half. Include a key to symbols in the illustration unless the symbols can be described in the legend. Photographs must be sharp and of good contrast showing details in important areas. Prints from monochrome (black-and-white) film are preferred. Photographs and paintings can be published in colour at authors' costs; ask the Editor for details.

Make sure that all citations in the text are listed at the end of the paper, and that all papers listed have been cited. In-text citations of publications by three or more authors should be in the form "Buckley *et al.*" Consult a recent issue of ORNITOLOGIA NEOTROPICAL for details of citations.

Proofs corrections will be made without charge but author revision of proofs, not due to printer's errors, will be charged to the author at US \$ 5.00 per revision line. Return proofs and typescript to the Editor within one week after receipt. Order reprints when returning proofs. ORNITOLOGIA NEOTROPICAL is printed on acid-free paper.

POSTMASTER: Send address changes to the Treasurer, address below. Printed quarterly at Cap-Saint-Ignace, Quebec, Canada by AGMV Marquis and published by the Neotropical Ornithological Society, c/o Dr. J. Michael Meyers, Treasurer, USGS Patuxent Wildlife Research Center, Warnell School of Forest Resources, The University of Georgia, Athens, GA 30602-2152, USA. ORNITOLOGÍA NEOTROPICAL is mailed at periodicals postage rates (permit no. 0019841) at Athens, Georgia.
