# The \* Acme \* Folding \* Boat \* Co.

MIAMISBURG, O.

Safest, Lightest, Handsomest Model, Most Compact.

BOAT EXTENDED

BOAT FOLDED

Only portable boat that combines handsome model with compactness. No bagging; smooth, uniform surface. All parts of frame adjustable to compensate for stretching and shrinking of canvas.

Flooring forms shipping case.

THE ACME IS INDORSED BY PROMINENT SPORTSMEN EVERYWHERE.

CAPT. PAUL BOYNTON, the famous swimmer, who has 12-ft. boat, writes: "In all my experience with boats of every description, I never saw anything so compact and perfect. Her strength, lightness and beauty of model surprised me. She is easy to set up and to pack. She will be my companion on all my hunting expeditions, as I can carry her behind on my saddle as easily as I can a roll of camp blankets."
