

	T. V.	S. R.	GENERAL NOTES.
Lorain Co., O.	common	rare	
Berwyn, Penn.	abundant		arrives early May L. 11-1
Cortland Co., N. Y.	common	rare	5-13-'93 5-4-'92
Oswego City, N. Y.	abundant	few	
Portland, Conn.	abundant	rare	
Bangor, Me.		common	

I did not find it in Lorain Co., in either 1893 or 1894, nor during either summer. At Grinnell, Iowa, it was common during the migration, arriving late in April or early in May. I have always found them well up in the trees. Prof. Kumlein says of it in Wisconsin: "Not common. A few breed in suitable localities in the southern tier of counties."

Dendroica tigrina (Gmel.) CAPE MAY WARBLER.

	T. V.	GENERAL NOTES.
Grinnell, Iowa.	tol. com.	
Winnebago Co., Ill.	rare	one male 5-16-17-1890
Meridian, Wis.	few	
Milton, Wis.	common	
Lorain Co., O.	rare	
Cortland Co., N. Y.	rare	
Oswego City, N. Y.		5-26-'92 first record
Portland, Conn.	occasional	
Phillips, Me.	not com.	

Prof. Kumlein says it is very irregular in Wisconsin, some years being even abundant, and others just the reverse. At Grinnell, Iowa, I never found them really common, but some were seen every year, always in the lower branches of the trees, during the first or second week in May.

Dendroica aestiva (Gmel.) YELLOW WARBLER.

	S. R.	1893.	GENERAL NOTES.
San Bernardino, Cal	common		
Bexar Co., Texas.	common		
Coffeyville, Kan.	common		
Garden City, Kan.	common		
Jackson Co., Mo.	common		
Salem, Iowa.	common		4-29-'94
Grinnell, Iowa.	abundant		firsts from Apr. 27 to May 3

		S. R.	1893.	GENERAL NOTES.
