The Demand for December, 1909

BIRD-LORE

has so exceeded our estimate that, in spite of the fact that we printed an unusually large edition, the supply is now exhausted. We will, however, send a copy of the Sparrow plate (the first of the series of the Sparrows of North America in color) which appeared in that number to all subscribers to Bird-Lore for 1910 (Vol. XII), in order that their series of these plates may be complete.
