The Membership Committee

Everyone who has an interest in birds should, we think, belong to The Wilson Ornithological Club. Every member knows someone who would profit by fellowship with us. The club would profit by having stronger support, greater influence, and an additional reservoir of material for the *Bulletin*.

The nomination form accompanying dues notices is one way the membership committee hopes to obtain the names of these interested people. We as a committee know but a fraction of them. Your committee would like to report next June that the club has a membership of two thousand. With your help it can be done. Send the nomination forms to the Treasurer along with your dues, or to any of the membership committee listed below:
