

ANNUAL MEETING

The Proceedings of the Thirty-sixth Annual Meeting, held at Stillwater, Oklahoma, April 7-10, 1955, will be published in the September issue of *The Wilson Bulletin*. The names of the officers elected for the ensuing year appear on the inside front cover. Leonard C. Brecher, retiring Treasurer, was elected a member of the Executive Council. Keith L. Dixon was appointed Editor of *The Wilson Bulletin*.

The proposed amendment to the Constitution changing the name to The Wilson Ornithological Society was passed unanimously and will become effective upon approval by the State of Illinois. It is hoped that the change can be made operative prior to publication of the September issue of *The Wilson Bulletin*.

LOUIS AGASSIZ FUERTES RESEARCH GRANT

Robert G. Wolk, graduate student at Cornell University, has been awarded the Fuertes Research Grant to aid his "Analysis of Reproductive Behavior in the Black Skimmer," according to Dr. Kenneth C. Parkes, Chairman of the Research Grant Committee.

The American Museum of Natural History has announced the establishment of The Southwestern Research Station. It is located on the east slope of the Chiricahua Mountains, near Portal, Arizona, at an elevation of 5400 feet. The station makes available to scientists and students facilities for research utilizing faunal, floral, and geological features of the area. Further information may be obtained from the Director, Dr. Mont A. Cazier, Department of Insects and Spiders, American Museum of Natural History, New York 24, N.Y.

Volume 1 of "American Bird Songs," which features the voices of 60 species, chiefly of the eastern United States, is now available on two sides of a long-playing record. This well-known set of recordings made by Professors Allen and Kellogg is priced at \$7.75. Orders may be placed with the Cornell University Press, 124 Roberts Place, Ithaca, New York.
