

# PROCEEDINGS OF THE FORTIETH ANNUAL MEETING

BY AARON M. BAGG, SECRETARY

The Fortieth Annual Meeting of the Wilson Ornithological Society was held at Rockland, Maine, from Thursday, June 11, to Sunday, June 14, 1959. The meeting was sponsored by the Portland Society of Natural History, the Farnsworth Museum, and the Maine Audubon Society. The Local Committee, under the efficient co-chairmanship of Christopher M. Packard and Wendell Hadlock, performed a truly outstanding piece of work in organizing the meeting and in providing the 302 registered members and guests with all conceivable information on events and field trips.

Four sessions were devoted to papers, and two business meetings were held, all in the Farnsworth Museum. The meeting opened with an informal reception in the museum on Thursday evening, when Carl W. Buchheister, of the National Audubon Society, presented the fine film, *Pastures of the Sea*. Thursday evening was also the occasion for the meeting of the Executive Council, in the museum auditorium. On Friday evening, 239 members enjoyed a real Downeast Clambake, featuring steamed clams, lobsters, and corn. The Annual Dinner was held on Saturday evening at the Thorndike Hotel, with Lawrence H. Walkinshaw presenting the President's Address. This was followed by the first public showing of a most impressive color film, *Sea, Ice, and Fire*, made in Iceland in 1958 by Olin Sewall Pettingill, Jr., whose commentary was as colorful as the superb pictures which he described. The Local Committee had decorated the tables attractively, and souvenir plates featuring puffins were at each place setting. At the head table, each officer received a Wilson's Warbler, carved in wood and kindly presented by Mrs. Dorothy Washington, and a treasure chest of Maine seafood delicacies.

Early-morning field trips to nearby coastal and inland areas were scheduled for Friday and Saturday. On Sunday, through the courtesy of the United States Coast Guard, 168 persons sailed in the buoy-tender *Laurel* to the puffin colony on Matinicus Rock—a sea-cruise which, though attended by day-long rain, was highly successful birdwise; in addition to the Common Puffins, species seen included Northern Phalarope, Sooty Shearwater, Wilson's Petrel, Arctic Tern, Common Eider, and Black Guillemot. Field parties also left on Sunday for Mt. Desert Island, under the leadership of James Bond (species seen included Red Crossbill, Common Raven, Winter Wren, Bay-breasted Warbler), and for Mt. Katahdin, under the leadership of Mr. and Mrs. Wendell Taber.

## FIRST BUSINESS SESSION

President Walkinshaw called the meeting to order at 9 a.m., Friday, June 12. Mr. Wendell Hadlock, Director of the Farnsworth Museum, and Mr. Edward F. Dana, President of the Portland Society of Natural History, welcomed the members and guests of the Wilson Ornithological Society. President Walkinshaw responded on behalf of the Society.

The Proceedings of the Thirty-ninth Annual Meeting, as published in *The Wilson Bulletin* for September, 1958, were corrected on the matter of dues. On April 25, 1958, the meeting of members voted to amend the Constitution, as duly proposed previously by mail. Article II, Section 3, Sentence 1 was changed to become: "The amount of the annual dues of Active Members and Sustaining Members shall be determined by the Executive Council in accordance with current requirements." Empowered by this amendment, the Council set the Active Membership dues at \$4.00 per year, and the Sustaining Membership dues at \$6.00 per year. On motion by Harold Mayfield, seconded by Francis Harper, the members voted the adoption of this correction in the Proceedings of the

Thirty-ninth Annual Meeting. On motion by Mayfield, seconded by Frank Preston, the members approved the Proceedings as corrected.

*Secretary's Report*

The secretary, Aaron M. Bagg, summarized the principal actions taken at the Thursday evening Executive Council meeting as follows:

1. The Council voted to accept the invitation of the Tennessee Ornithological Society to the Wilson Society to hold its 1960 meeting at Gatlinburg, Tennessee, during May 5-8, 1960.

2. The Council voted to accept the invitation of the Federation of Ontario Naturalists, the Audubon Society of Canada, and the Royal Ontario Museum, to the Wilson Society, to hold its 1961 meeting in the Muskoka District of Ontario in June, 1961.

3. The Council voted to accept an invitation to the Wilson Society to hold its 1962 meeting in Indiana.

4. The Council re-elected H. Lewis Batts, Jr., as editor of *The Wilson Bulletin*.

*Research Grant Committee*

Harvey Fisher, chairman, reported by letter that since, through a misunderstanding, the Committee had felt that no funds were available, no grants were made in 1958.

At its June 11, 1959, meeting, the Council voted \$100.00 from General Funds, if no other funds are available, for the Fuertes Research Grant for 1959, and \$75.00 from General Funds to make up the \$100.00 for 1958. The Council also voted that the Fuertes Research Grant be made permanent until rescinded.

Therefore, as reported by Dr. Fisher, the Committee is moving forward for 1959-1960.

*Membership Committee*

Howard F. Young, chairman, reported by letter that the names of 188 new members, enrolled since the 1958 meeting, are posted for inspection by the members, to be elected at the final business meeting. Seventeen of these are Life Memberships, and 15 are Sustaining. Recent downward trends in membership are apparently halted, with membership at present approximately 1485, compared with 1475 as in the last report. In addition, there are 202 institutional subscriptions to the *Bulletin*.

*Library Committee*

William A. Lunk, chairman, reported that:

During the 12 months just completed, the committee has been reorganized, following the resignation of H. Lewis Batts, Jr., as chairman, with the appointment of Dr. and Mrs. W. Powell Cottrille as additional members.

Through meetings and correspondence, a number of matters pertaining to policy and procedure have been clarified. The question of adjusting the stocks of back issues of *The Wilson Bulletin* has not, to the committee's knowledge, been satisfactorily resolved; sizable surpluses of certain issues are still on hand.

Of major concern has been the incorporation of the library of the late Josselyn Van Tyne. The gift of an additional 200 reprints, and 130 books and pamphlets, from this library, by Mrs. Van Tyne, constituted the largest single addition to the Society's holdings. All of the Van Tyne collection has been placed on permanent loan to the Society, and is available to W.O.S. members for use as an integral part of the Josselyn Van Tyne Memorial Library. Cataloguing of the entire collection is proceeding. In accordance with the name change of the library, all new material (from whatever source) is being marked to conform. The permanent memorial book plate is not yet ready.

A list of items from the Van Tyne collection which are considered surplus has been prepared. This has been circulated so far, successively, to six individuals to whom Mrs. Van Tyne had asked that preference be given, and to a few other persons. A number of items have been sold, and the proceeds (perhaps \$100.00 in all) have been placed in the Library's New Book Fund. The list will be available for circulation at the Rockland annual meeting; and it will be further submitted to individuals and institutions to be selected, before other means are employed to dispose of the residue. The New Book Fund is constantly being employed to purchase works, not otherwise provided, which are felt to be desirable tools to have at the disposal of the membership. There is still a small balance, the exact amount of which will be shown on the Treasurer's report.

Routine library matters are being competently handled by Technical Aid Norman Ford (Bird Division, Museum of Zoology, University of Michigan) who thus devotes a substantial share of his time to W.O.S. business. The close relationship between the Society and the University of Michigan continues to work to mutual advantage, with the latter supplying much-needed housing, binding, care, and general maintenance facilities, while profiting from the additional wealth of source material.

The library continues regularly to receive 93 journals, 81 as exchanges and 12 by donation. In addition, 84 separate donations have been reported: 561 reprints, 156 books, 252 journals, 13 pamphlets, 7 newsletters, 7 translations, and 1 phonograph record. Approximately 50 out-of-town loans were made during the year, involving some 150 separate publications—and this in addition to extensive on-the-spot use of the library by individuals on campus or visiting.

The committee wishes to express appreciation for the continued interest of the members, but urges even wider support for our whole library program. Donations, requests, and constructive suggestions are all equally solicited.

*Endowment Committee*

Olin Sewall Pettingill, Jr., reported 23 new Life Members and 3 Patrons.

*Temporary Committees*

The President appointed the following temporary committees:

*Auditing Committee*

N. Bayard Green, Chairman  
Robert P. Van Blaricom  
Rachael Wilson

*Nominating Committee*

Maurice Brooks, Chairman  
Fred T. Hall  
Margaret M. Nice

*Resolutions Committee*

Andrew J. Berger, Chairman  
William A. Dyer  
Ralph S. Palmer

SECOND BUSINESS SESSION

The final business session was called to order at 3:05 p.m., Saturday, June 13.

Olin Sewall Pettingill, Jr., spoke briefly on Society finances, mentioning the difficulty in increasing the membership, the need for new members, and the need for gifts to endowment and research.

The applicants for membership whose names were posted during the meeting were elected to membership.

*Report of the Auditing Committee*

The committee reported by letter that they had examined the books and accounts of the Treasurer and found them to be in good order.

*Report of the Resolutions Committee*

WHEREAS The Wilson Ornithological Society is in session at its Fortieth Annual Meeting in Rockland, Maine,

BE IT RESOLVED that the Society express its appreciation to the Local Committee under the leadership of Christopher M. Packard and Wendell Hadlock for the excellent planning and efficient organization that have made this meeting so enjoyable and interesting to the people in attendance;

AND BE IT FURTHER RESOLVED that the Society express its thanks to the sponsoring organizations, the Portland Society of Natural History, the Farnsworth Museum, and the Maine Audubon Society, for making available such fine facilities in such a pleasant setting for this annual gathering;

AND BE IT FURTHER RESOLVED that the Society express its thanks to the United States Coast Guard, and to Lt. Com. R. L. Davis, Commanding Officer of the *Laurel*, and to her officers and crew, for their generous hospitality aboard ship;

AND BE IT FURTHER RESOLVED that the Society express its sincere thanks to Ralph M. Edeburn for his faithful and effective service as Treasurer of the Society;

AND BE IT FURTHER RESOLVED that the Society express its thanks to Keith L. Dixon for his untiring efforts in maintaining, during his term as Editor, the high standard of *The Wilson Bulletin*.

#### *Election of Officers*

The Nominating Committee proposed the following officers for the coming year: President, Lawrence H. Walkinshaw; First Vice-President, Harold F. Mayfield; Second Vice-President, Phillips B. Street; Secretary, Aaron M. Bagg; Treasurer, Merrill Wood; Elective Member of the Executive Council, Ralph M. Edeburn (term expiring 1962).

The report of the committee being accepted, and there being no nominations from the floor, the Secretary was instructed to cast a unanimous ballot for these nominees.
