SUGGESTIONS TO AUTHORS

Manuscripts intended for publication in *The Wilson Bulletin* should be neatly typewritten, double-spaced, and on one side only of good quality white paper. Tables should be typed on separate sheets. Before preparing these, carefully consider whether the material is best presented in tabular form. Where the value of quantitative data can be enhanced by use of appropriate statistical methods, these should be used. Follow the AOU Check-list (Fifth Edition, 1957) insofar as scientific names of United States and Canadian birds are concerned unless a satisfactory explanation is offered for doing otherwise. Use species names (binomials) unless specimens have actually been handled and subspecifically identified. Summaries of major papers should be brief but quotable. Where fewer than five papers are cited, the citations may be included in the text. All citations in "General Notes" should be included in the text. Follow carefully the style used in this issue in listing the literature cited; otherwise, follow the "Style Manual for Biological Journals" (1960. AIBS). Photographs for illustrations should be sharp, have good contrast, and be on glossy paper. Submit prints unmounted and attach to each a brief but adequate legend. Do not write heavily on the backs of photographs. Diagrams and line drawings should be in black ink and their lettering large enough to permit reduction. Authors are requested to return proof promptly. Extensive alterations in copy after the type has been set must be charged to the author.

A WORD TO MEMBERS

The Wilson Bulletin is not as large as we want it to be. It will become larger as funds for publication increase. The Society loses money, and the size of the *Bulletin* is cut down accordingly, each time a member fails to pay dues and is put on the "suspended list." Postage is used in notifying the printer of this suspension. More postage is used in notifying the member and urging him to pay his dues. When he does finally pay he must be reinstated in the mailing list and there is a printer's charge for this service. The *Bulletin* will become larger if members will make a point of paying their dues promptly.

NOTICE OF CHANGE OF ADDRESS

If your address changes, notify the Society immediately. Send your complete new address to the Treasurer, Merrill Wood, Dept. of Zoology and Entomology, Frear Laboratory, Pennsylvania State University, University Park, Pennsylvania. He will notify the printer.

1961 ANNUAL MEETING

The 1961 meeting of the Wilson Ornithological Society will be held from Thursday to Sunday, 8-11 June, at Huntsville, Ontario, Canada. The meetings will be held at Britannia Lodge, in the Muskoka District, under the sponsorship of the Federation of Ontario Naturalists, the Audubon Society of Canada, and the Royal Ontario Museum.

This will be the first annual meeting of the Society held in Canada.

The program plans of Dr. Murray Speirs and his colleagues include a field trip at night to hear wolves howl in response to a recording. Roger Tory Peterson, Second Vice-president of the Wilson Society, will show for the first time in North America his 30-minute film on storks of the world.

More detailed program plans and information regarding best routes, accommodations, etc., will be mailed to members later. Others may receive this material by writing to the Secretary of the Society: Mr. Aaron M. Bagg, Farm Street, Dover, Massachusetts.
