

# PROCEEDINGS OF THE FORTY-SECOND ANNUAL MEETING

AARON M. BAGG, SECRETARY

The Forty-second Annual Meeting of the Wilson Ornithological Society was held at the Britannia Hotel, Huntsville, Ontario, from Thursday, 8 June, to Sunday, 11 June 1961. The meeting was sponsored by The Audubon Society of Canada, The Federation of Ontario Naturalists, and The Royal Ontario Museum. The Local Committee, under the energetic and enthusiastic direction of Dr. J. Murray Speirs, Chairman, made this—the Society's first Canadian meeting—a truly enjoyable and memorable one for the 250 members and guests who attended.

Four sessions were devoted to papers, and two business meetings were held, in the Pavilion of Britannia Hotel, in beautiful surroundings on the Lake of Bays. The meeting opened with an informal reception on Thursday evening, at which the Huntsville Nature Club acted as hosts, and Dr. W. W. H. Gunn presented recordings of warbler songs. The Executive Council also met, Thursday evening, at Britannia Hotel. And there was an evening field trip (repeated on Friday) into Algonquin Park to listen for timber wolves. On Friday evening there was an informal showing of several excellent films. The Annual Dinner was held on Saturday evening at Britannia Hotel, with Harold F. Mayfield presenting the President's Address. This was followed by two outstanding color films by Dr. Roger T. Peterson, *A Gathering of Storks*, and a film by Dr. Peterson made in Africa. The Local Committee had decorated the tables attractively at the dinner, and at each place setting there was a souvenir strip containing color slides of four characteristic birds of the Algonquin Park region in which the meeting was held: Spruce Grouse, Black-backed Three-toed Woodpecker, Gray Jay, and Common Raven.

Early-morning field trips were scheduled for Friday and Saturday. On Sunday, there were field trips into Algonquin Park.

## FIRST BUSINESS SESSION

President Mayfield called the meeting to order at 9:00 AM, Friday, 9 June. Welcoming addresses, on behalf of The Audubon Society of Canada, The Federation of Ontario Naturalists, and The Royal Ontario Museum, were made by John A. Livingston, William W. H. Gunn, and James Baillie, respectively. President Mayfield responded on behalf of the Society.

The Proceedings of the Forty-first Annual Meeting were approved as published in *The Wilson Bulletin* for September 1960.

## *Secretary's Report*

The secretary, Aaron M. Bagg, summarized the principal actions taken at the Thursday evening meeting of the Executive Council, as follows:

1. The Council voted to accept the invitation of Purdue University and the Indiana Audubon Society, to the Wilson Society, to hold its 1962 meeting at Purdue University during 5-8 April 1962.
2. The Council voted to accept the invitation of the Charleston Museum, the Charleston Natural History Society, and the Carolina Bird Club, to the Wilson Society, to hold its 1963 meeting at Charleston, S.C., during 2-5 May 1963.
3. The Council voted to look with favor upon, and to explore the possibilities of, an invitation to the Wilson Society to hold its 1964 meeting in Kalamazoo, Michigan, in June 1964.
4. The Council re-elected H. Lewis Batts, Jr., as Editor of *The Wilson Bulletin*.
5. Following the recommendation of the Fuertes Research Grant Committee, the Council

voted a grant of \$100.00 to Mrs. Frances Crews James to assist in her study of the birds of Arkansas.

*Research Grant Committee*

Harvey I. Fisher, chairman, reported by letter that the Committee recommended Mrs. Frances Crews James for the Louis Agassiz Fuertes Grant for the current year. Mr. Donald Heintzelman was second choice. The report was accepted and approved.

*Membership Committee*

Hazel Bradley Lory, chairman, reported by letter as follows:

The membership committee this year has consisted of seventeen members and myself. These members have been supplied with application blanks and leaflets about the Society, also with back numbers of *The Wilson Bulletin* where they had use for them. They have been urged to make personal contacts, to check on College and University Library subscriptions wherever possible, and, in some cases, supplied with names and addresses of people attending last year's annual meeting who were not already members.

Members of the committee wrote to 60 people who attended the 1960 meeting and from them obtained a few new members. We might have gained a few more if we could have had addresses for the 55 other non-members who were registered. I would like to suggest that the membership chairman be supplied with a complete list of those registered at each annual meeting (together with the addresses) soon after each annual meeting. Such a list could then be checked with the most recent membership list and names of prospective members be secured. I have already asked Mrs. Speirs, a member of this committee to see that this is done for the Ontario meeting.

The Head Biologist of the Soil Conservation Service sent in the names of 23 Soil Conservation Service Biologists, saying he thought they should all be interested in joining our Society. I, personally, wrote to these men and a few of them signed up as members.

At last year's council meeting, it was suggested that back numbers of *The Wilson Bulletin* be used to send to prospective members. To that end, I went to Ann Arbor and picked up a supply of recent numbers. I still have a good supply on hand, though many of them have been used in this way.

I wish to extend thanks to all who have helped in this work, not only the members of my committee, but also to the many members outside the committee who are helping by recommending those people they know to be interested.

*Library Committee*

William A. Lunk, chairman, reported by letter as follows:

The past year, for the Library Committee, has shown continued very satisfactory progress, though without spectacular developments or innovations. It is encouraging to note a continued rise in contributions to the library's collections, when present figures are compared with those of last year.

Our oversupply of certain back issues of *The Wilson Bulletin* has been reduced by the transfer of 500 copies to Mrs. Hazel Lory for use by the Membership Committee. It is to be hoped that this plan will not only alleviate the storage problem, but put the *Bulletin* copies to good use in publicizing our organization and its journal.

Another segment of the late Josselyn Van Tyne's collection, gift from Mrs. Van Tyne, totaling 56 bound volumes and the equivalent of some 56 volumes of reprints and separates, was accepted. The balance, on permanent loan, remains available to members.

Eighty-two other gifts to the library, from 66 individuals and institutions, comprised an additional total of 71 books, 186 journals, 61 pamphlets, 628 reprints, 55 newsletters, and 11 translations. One hundred and seven journals (82 by exchange and 25 as gifts) are currently being received.

Approximately 35 out-of-town loans, of about 140 items, were made during the year. This figure seems low. It does not, of course, reflect the great amount of on-the-spot use being made of the library. Members the country over, however, should be encouraged to make more use of our facilities, both for their research documentation and for their leisure-time reading.

The close association between the Josselyn Van Tyne Memorial Library and that of the Bird Division, Museum of Zoology, University of Michigan, deserves special notice. Without the storage facilities and clerical help provided by the University, it is doubtful whether our library could function. To some extent, and for the benefit of both, holdings of the two libraries are kept complementary (particularly where serials are concerned). Within limits, Bird Division materials are available for Wilson Society loans. Revised shelving arrangements, worked out by Bird Division personnel, have now put nearly all of the Wilson Ornithological Society holdings, exclusive of serials, in a separate room. Special categories, such as bibliography, biography, and regional works, are shelved together for convenient reference. Norman Ford, Technical Aide, is largely responsible for correspondence and for routine library business.

Contributions and proceeds from the sale of duplicates continue to augment the Society's New Book Fund, this being drawn upon from time to time to add important items not otherwise acquired.

Attention of the members is drawn to the availability of reasonably priced items from our duplicate collections, and to the always-present need for donations. Cooperation and assistance in all forms are welcomed.

#### SECOND BUSINESS SESSION

The final business session was called to order at 3:15 PM, Saturday, 10 June.

On motion duly made and seconded, the report of the Membership Committee was accepted, and the candidates were elected to membership in the Society.

President Mayfield called upon the editor of the *Bulletin*, H. Lewis Batts, Jr., to speak. Dr. Batts commended the editorial board (Bartholomew, Berger, Gunn, Lunk, Norris, Parkes, Paynter, and Pettingill) for their valued services; he also invited prospective authors to submit manuscripts to the *Bulletin* after consulting the new "Style Manual for Biological Journals," and asked members to offer suggestions about the *Bulletin*.

Maurice Brooks summarized the excellent report of the Conservation Committee. (See pages 312-321.)

#### *Report of the Auditing Committee*

Stephen Eaton reported in the absence of David E. Davis, chairman, that the books of the treasurer, Mr. Merrill Wood, had been examined and found in good order. The Auditing Committee "was unanimous in complimenting Mr. Wood on the conscientious work he has done."

On motion duly made and seconded, the report of the Auditing Committee was accepted.

#### *Report of the Resolutions Committee*

George Hall, chairman, read the following report:

WHEREAS, The Wilson Ornithological Society at its Forty-second Annual Meeting at Huntsville, Ontario, has enjoyed the cordial hospitality of the sponsoring organizations, of the Huntsville Nature Club, of the Britannia Hotel, and of the Ontario Departments of Lands and Forests and of Travel and Publicity, and has enjoyed the beautiful environment of the meeting place and of Algonquin Provincial Park, and

WHEREAS the Local Committee on Arrangements has unstintingly provided for our comfort, amusement and education,

BE IT RESOLVED that the Members of the Wilson Ornithological Society attending this meeting express to the sponsoring organizations, The Audubon Society of Canada, The Federation of Ontario Naturalists, and the Royal Ontario Museum and to the Huntsville Nature Club, the staff of the Britannia Hotel, and to the Ontario Departments of Lands and Forests and Travel and Publicity, and particularly to the Local Committee on Arrangements, ably chaired by Dr. J. Murray Speirs, their deep appreciation and gratitude for all that has been done to make this meeting so memorable.

WHEREAS the Members of the Wilson Ornithological Society, an international organization are deeply interested in the conservation of North American waterfowl, and

WHEREAS this problem is international in scope,

BE IT RESOLVED that the Society go on record as favoring the authorization by the Congress of the United States of America for the allocation of part of the funds available for the purchase of Wetlands, to the acquisition of waterfowl breeding areas in Canada; and

BE IT FURTHER RESOLVED that the secretary be instructed to make the position of the Society known to the proper Government agencies.

On motion duly made and seconded, the report of the Resolutions Committee was accepted.

#### *Election of Officers*

Joseph Howell read the report of the Nominating Committee, which proposed the following officers for the coming year: President, Harold F. Mayfield; First Vice-President, Phillips B. Street; Second Vice-President, Roger Tory Peterson; Secretary, Aaron M. Bagg; Treasurer, Merrill Wood; Elective Member of the Executive Council, J. Bruce Falls (term expiring 1964).

The report of the committee being accepted, and there being no nominations from the floor, the secretary was instructed to cast a unanimous ballot for these nominees.
