SUGGESTIONS TO AUTHORS

Manuscripts intended for publication in *The Wilson Bulletin* should be neatly typewritten, double-spaced, and on one side only of good quality white paper. Tables should be typed on separate sheets. Before preparing these, carefully consider whether the material is best presented in tabular form. Where the value of quantitative data can be enhanced by use of appropriate statistical methods, these should be used. Follow the AOU Check-list (Fifth Edition, 1957) insofar as scientific names of United States and Canadian birds are concerned unless a satisfactory explanation is offered for doing otherwise. Use species names (binomials) unless specimens have actually been handled and subsequently identified. Summaries of major papers should be brief but quotable. Where fewer than five papers are cited, the citations may be included in the text. All citations in "General Notes" should be included in the text. Follow carefully the style used in this issue in listing the literature cited; otherwise, follow the "Style Manual for Biological Journals" (1964. AIBS). Photographs for illustrations should be sharp, have good contrast, and be on gloss paper. Submit prints unmounted and attach to each a brief but adequate legend. Do not write heavily on the backs of photographs. Diagrams and line drawings should be in black ink and their lettering large enough to permit reduction. Authors are requested to return proof promptly. Extensive alterations in copy after the type has been set must be charged to the author.

A WORD TO MEMBERS

The Wilson Bulletin is not as large as we want it to be. It will become larger as funds for publication increase. The Society loses money, and the size of the *Bulletin* is cut down accordingly, each time a member fails to pay dues and is put on the "suspended list." Postage is used in notifying the printer of this suspension. More postage is used in notifying the member and urging him to pay his dues. When he does finally pay he must be reinstated in the mailing list and there is a printer's charge for this service. The *Bulletin* will become larger if members will make a point of paying their dues promptly.

NOTICE OF CHANGE OF ADDRESS

If your address changes, notify the Society immediately. Send your complete new address to the Treasurer, C. Chandler Ross, Academy of Natural Sciences, 19th and Parkway, Philadelphia, Pennsylvania 19103. He will notify the printer.

PLAN TO ATTEND THE 1968 ANNUAL MEETING

The 1968 meeting of the Wilson Ornithological Society will be held from Thursday to Sunday, 2-5 May, at Southern Illinois University, Carbondale, Illinois. The meeting is being sponsored by Southern Illinois University. The local committee for arrangements is being chaired by Dr. Harvey I. Fisher, Department of Zoology, Southern Illinois University, Carbondale, Illinois 62901.

The meeting will open Thursday evening with registration for those not advance registered. Paper sessions will be held Friday and Saturday. Field trips are planned for early morning Friday and Saturday and on Sunday. Southern Illinois is a most rewarding and interesting area, especially in the spring.

The paper sessions will be highlighted by a symposium on state and regional bird publications, organized and chaired by Chandler S. Robbins.
