THE JOSSELYN VAN TYNE MEMORIAL LIBRARY

The Josselyn Van Tyne Memorial Library of the Wilson Ornithological Society, housed in the University of Michigan Museum of Zoology, was established in concurrence with the University of Michigan in 1930. Until 1947 the Library was maintained entirely by gifts and bequests of books, reprints, and ornithological magazines from members and friends of the Society. Now two members have generously established a fund for the purchase of new books; members and friends are invited to maintain the fund by regular contribution, thus making available to all Society members the more important new books on ornithology and related subjects. The fund will be administered by the Library Committee, which will be happy to receive suggestions on the choice of new books to be added to the Library. William A. Lunk, University Museums, University of Michigan, is Chairman of the Committee. The Library currently receives 104 periodicals as gifts and in exchange for *The Wilson Bulletin*. With the usual exception of rare books, any item in the Library may be borrowed by members of the Society and will be sent prepaid (by the University of Michigan) to any address in the United States, its possessions, or Canada. Return postage is paid by the borrower. Inquiries and requests by borrowers, as well as gifts of books, pamphlets, reprints, and magazines, should be addressed to "The Josselyn Van Tyne Memorial Library, University of Michigan Museum of Zoology, Ann Arbor, Michigan." Contributions to the New Book Fund should be sent to the Treasurer (small sums in stamps are acceptable). A complete index of the Library's holdings was printed in the September 1952 issue of *The Wilson Bulletin* and newly acquired books are listed periodically.

The subscription price, both in the United States and elsewhere, is \$10.00 per year. Single copies, \$2.50. Most back issues of the *Bulletin* are available (at \$2.50 each) and may be ordered from the Treasurer. Special prices will be quoted for quantity orders.

**NEW MEMBER NOMINATIONS—
WILSON ORNITHOLOGICAL SOCIETY**

... know anyone who would enjoy joining the WILSON ORNITHOLOGICAL SOCIETY

- your friends who study birds
- fellow members of local bird clubs
- your colleagues
- your students in bird study

Now is the time for W.O.S. members to recommend non-members interested in birds for membership in the Society. Clip out and use the attached nomination forms. The Membership Committee Chairman then will issue the individual invitations to join the Society.

One form is for college and pre-college students, the other is for other nominations. Students have a special incentive to join the W.O.S. while still in school or college: at graduation, they can apply the total amount of dues paid while they were students toward a Life Membership in the Society.

An organization such as the W.O.S., which does not have the close contacts provided by regional or local chapters, depends on the initiative of the individual members for nominations of new members. Thank you for your help in finding new members and thus assuring the continued existence and growth of the Society.
