GEORGE MIKSCH SUTTON AWARD FOR ORNITHOLOGICAL ART

The Wilson Ornithological Society announces the establishment of the George Miksch Sutton Award for Ornithological Art. The Award will be given for art that would be suitable as a color plate in The Wilson Bulletin. The subject matter and medium are at the artist's discretion. Size of the artwork should be no smaller than $9\frac{1}{4} \times 14$ inches high and no larger than $18\frac{3}{8} \times 27\frac{3}{4}$. Any artist who has not been represented by a major gallery or who has not been featured in magazines such as Audubon or National Wildlife is eligible to enter. Prior publication of a color plate in a professional journal does not disqualify an artist. In short, the competition is primarily for artists who do not make their living, or a significant portion of it, by painting birds. Artists who question their eligibility should query the Award Committee when requesting entry information. Artwork will be judged by a panel of ornithologists and artists at the June 1985 Wilson Ornithological Society/Cooper Ornithological Society joint annual meeting in Boulder, Colorado. All qualified entries will be on display at the meeting. Artists should insure their entries both to and from the meeting and include a return mailer with postage attached. Matting and/or framing is at the discretion of the artist. The winner of the competition will receive a check for \$500, and his/her artwork will appear as a color plate in The Wilson Bulletin. For further information and application form, contact **Phillips B. Street, Chairman, Sutton Award Committee, Lionville Station Road, R. D. 1, Chester Springs, Pa. 19425.**
