

EXTENSIVE RAPTOR BIBLIOGRAPHY FOR SALE

Ever since *An Extensive Bibliography on Falconry, Eagles, Hawks, Falcons, and Other Diurnal birds of Prey* was published (1968–71), people has expressed an interest in a set of indices. The long and tedious compilation of subject, species, and periodical indices for the 7,500-entry bibliography is now complete and available for \$6.00 (postpaid) from Richard R. (Butch) Olendorff, 6009 Viceroy Way, Citrus Heights, California 95610. If you own one of the 1,000 copies of the original edition, be sure to complete it by purchasing the indices. Quantities are limited.

In addition, a limited edition of 130 hard-bound copies of the *the entire bibliography plus the indices* has been published. Only 65 copies of this handsomely bound 286-page book remain (as of Feb. 1, 1979) for sale for \$30.00 each (postpaid)—also from Olendorff (address above). This will be your last chance to obtain the standard and most extensive reference bibliography ever produced on the diurnal birds of prey.
